18 questions followed by analysis and identification of areas of work for improvement.

1. Does the company have leadership commitment and support for gender equality and women's empowerment?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has leadership commitment or support for gender equality and women's empowerment.

If the answer to this question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has circulated an internal communication(s) and/or informal acknowledgement of the relevance of gender equality and women's empowerment
- ☐ Has released a public written statement or commitment outlining the company's commitment to gender equality and women's empowerment (e.g. WEPs CEO Statement of Support)

Implementation

- ☐ Has an organization-wide gender equality strategy that identifies specific priority areas where further improvement can be made
- ☐ Has an organization-wide gender equality strategy that includes a business case or rationale for investment in gender equality
- ☐ Has an organization-wide gender equality strategy that articulates the link between gender equality and other areas of corporate sustainability and business performance
- ☐ Has an organization-wide gender equality strategy that was developed in consultation with employees
- ☐ Has an organization-wide gender equality strategy that was developed in consultation with external stakeholders
- ☐ Has an organization-wide gender equality strategy this is communicated to all employees
- ☐ Advocates in public forums about the company's commitment to gender equality and women's empowerment

Measurement

- ☐ Includes time-bound, measurable goals and target in the strategy
- ☐ Includes formal accountability mechanisms for progress and outcomes on the strategy

Transparency

- ☐ Reports publicly to company stakeholders on progress made and outcomes of strategy commitments and targets
- ☐ Reports to the board on progress made and outcomes of commitments and targets

2. Does the company have a non-discrimination and equal opportunity policy, either stand-alone or clearly included in a broader corporate policy?

- ☐ The company currently does not have a non-discrimination and equal opportunity policy, but we are interested in learning more information.
- ☐ The company currently does not have a non-discrimination and equal opportunity, but we plan to develop a policy in the next year.
- ☐ The company currently does not have a non-discrimination and equal opportunity at the global level, but some of our country offices or business units have policies.
- ☐ **Yes** the company has a non-discrimination and / or equal opportunity policy

If the answer to this question is YES, the following shows up:

Commitment

- ☐ Has a non-discrimination and equal opportunity policy
 - ☐ Has a non-discrimination and equal opportunity policy that was informed by internal and/or external expertise (including employees and/or trade unions).
 - ☐ Has a non-discrimination and equal opportunity policy that is communicated to all employees
 - ☐ Has a non-discrimination and equal opportunity policy that is communicated to potential employees in job applications and at the time of hiring

Implementation

- ☐ The non-discrimination policy is supported by confidential grievance and resolution mechanisms
- ☐ The grievance and resolution mechanism is managed by an independent third party
- ☐ The company provides training to all employees, including managers on non-discrimination and equal opportunity
- ☐ The company provides unconscious bias training to all employees

Measurement

- ☐ The company collects and analyzes sex-disaggregated data on incidents of discrimination (related to sex/gender) and corrective actions taken

Transparency

- ☐ Reports publicly to company stakeholders the total number of incidents of discrimination (related to sex/gender) and corrective actions taken.
- ☐ Reports to the board the total number of incidents of discrimination (related to sex/gender) and corrective actions taken

3. Does the company have an approach to ensure non-discrimination and equal opportunity in recruitment processes?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes** the company has an approach to gender diversity in recruitment policies or processes.

If the answer of this question is YES, the following questions show up:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy on non-discrimination and equal opportunity, that specifically addresses gender diversity in recruitment

Implementation

- ☐ Forbids inquiring about the status or plans of the following in job applications or during interview processes: marriage, pregnancy or care responsibilities
- ☐ Has due diligence and remediation processes in place to identify and address violations of recruitment policies that are based on gender discrimination
- ☐ Takes proactive steps to recruit women at all levels
- ☐ Takes proactive steps to recruit women in traditionally underrepresented roles
- ☐ Ensures gender-balanced interview panels during hiring processes
- ☐ Ensures that both women and men candidates are shortlisted for interviews
- ☐ Ensures job descriptions use gender neutral language and images

Measurement

- ☐ Tracks employee recruitment and reasons for turnover disaggregated by sex

Transparency

- ☐ Reports publicly to company stakeholders on the number and rate of new employee hires and employee turnover, disaggregated by sex
- ☐ Reports to the board on the number and rate of new employee hires and employee turnover, disaggregated by sex

4. Does the company have an approach to ensure non-discrimination and equal opportunity in professional development and promotion processes?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to ensure gender diversity in professional development processes.

If the answer to this question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that includes professional development opportunities for women and supports the building of a pipeline of qualified women for management/ senior leadership level positions

Implementation

- ☐ Offers mentoring programme(s) with specific support for women
- ☐ Offers leadership coaching with specific support for women
- ☐ Offers access to professional networks (internal and/or external) with specific support for women
- ☐ Offers development trainings, rotational programmes, and educational opportunities with specific support for women
- ☐ Offers specific programmes to build the pipeline of qualified women for management/ senior leadership level positions
- ☐ Has measures in place to ensure professional development programmes are scheduled at times that accommodate the scheduling needs of both men and women (taking into consideration care responsibilities)

Measurement

- ☐ Has time-bound and measurable goals and targets to build a pipeline of qualified women for management level positions

Transparency

- ☐ Reports publicly to company stakeholders on the average number of training hours, disaggregated by sex and employee level
- ☐ Reports to the board on the average number of training hours, disaggregated by sex and employee level
- ☐ Reports publicly to company stakeholders on the total number of women, as compared to men, in management and senior leadership level positions
- ☐ Reports to the board on the total number of women, as compared to men, in management and senior leadership level positions
- ☐ Reports publicly to company stakeholders on the total number of employees promoted in the last year, disaggregated by sex
- ☐ Reports to the board on the total number of employees promoted in the last year, disaggregated by sex

5. Does the company have an approach to ensure women and men are compensated equally?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to ensure women and men are compensated equally.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that addresses equal pay for work of equal value, aligned with national regulatory requirements and/or the ILO Convention 100 on Equal Remuneration, 1951

Implementation

- ☐ Has procedures in place to remediate pay inequalities (including working with unions or staff representatives)
- ☐ Assesses other financials benefits including insurance benefits, bonuses, and retirement contributions when reviewing compensation

Measurement

- ☐ Undertakes an objective gender pay gap audit or evaluation by internal or external parties at least every five years to ensure jobs of equal value are remunerated equally

Transparency

- ☐ Publicly discloses to company stakeholders the overall ratio and ratio by employee level of basic salary and remuneration of women to men
- ☐ Reports to the board the overall ratio and ratio by employee level of basic salary and remuneration of women to men

6. Does the company offer and support paid maternity leave?

- ☐ The company currently does not offer or support paid maternity leave, but we are interested in learning more.
- ☐ The company currently does not offer or support paid maternity leave, but we plan to take steps in the next year.
- ☐ The company currently does not offer or support paid maternity leave at the global level, but some of our country offices or business units do.
- ☐ **Yes**, the company offers and supports paid maternity leave.

If the answer to the question in YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a Paid Maternity Leave Policy:
 - ☐ Aligned with national regulatory requirements in the country it operates, but is lower than the ILO's Convention 183 on Maternity Protection of 14 weeks
 - ☐ Aligned with the ILO's Convention 183 on Maternity Protection of 14 weeks
 - ☐ Above the ILO Convention of 14 weeks paid weeks or regulatory requirements in the country it operates (whichever is higher)
- ☐ Communicates maternity leave policies to all employees and notifies employees of any changes
- ☐ This policy extends to employees that adopt children

Implementation

- ☐ Informs employees of major changes at work while they are on leave
- ☐ Provides mentorship/ succession planning before going on maternity leave
- ☐ Provides financial support for replacement staff, training and support to managers supervising employees on maternity leave
- ☐ Consults with female employees or conducts employee surveys to determine if maternity leave benefits meet employee needs

Measurement

- ☐ Tracks the number of women who take maternity leave
- ☐ Tracks the effectiveness of its approach to retain women after maternity leave

Transparency

- ☐ Reports publicly to company stakeholders on the number of women that took maternity leave and the return to work and retention rates
- ☐ Reports to the board on the number of women that took maternity leave and the return to work and retention rates

7. Does the company offer and support paid paternity leave?

- ☐ The company currently does not offer or support paid paternity leave, but we are interested in learning more.
- ☐ The company currently does not offer or support paid paternity leave, but we plan to take steps in the next year.
- ☐ The company currently does not offer or support paid paternity leave at the global level, but some of our country offices or business units do.
- ☐ **Yes**, the company offers and supports paid paternity leave.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a Paid Paternity Leave Policy:
 - ☐ Aligned with national regulatory requirements in the country it operates, if national provisions exist
 - ☐ Above regulatory requirements in the country it operates, if national provisions exist
 - ☐ Although no legal requirements exist in the country it operates
- ☐ Communicates paternity leave policies to all employees and notifies employees of any changes
- ☐ This policy extends to employees that adopt

Implementation

- ☐ Informs employees of major changes at work while they are on leave
- ☐ Provides incentives to encourage men to take paternity leave
- ☐ Provides mentorship/ succession planning before going on paternity leave
- ☐ Provides training and support to managers supervising employees on paternity leave
- ☐ Consults with male employees or conducts employee surveys to determine if paternity leave benefits meet employee needs

Measurement

- ☐ Tracks the number of men who take paternity leave
- ☐ Tracks the effectiveness of its approach to retain men after paternity leave

Transparency

- ☐ Reports publicly to company stakeholders on the percentage of eligible male employees that took paternity leave
- ☐ Reports to the board on the percentage of eligible male employees that took paternity leave

8. Does the company have an approach to support employees as parents and caregivers?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to support employees as parents and caregivers.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that addresses supporting employees as parents and caregivers
- ☐ Communicates parental and caregiver benefits and services to all employees and notifies employees of any changes
- ☐ Offers parental and caregiver benefits to part-time workers
 - ☐ Not Applicable: We do not have part-time workers

Implementation

- ☐ Provides mentorship, support, or training to refresh employee skills when returning from parental leave
- ☐ Provides an option for a phased return to work after maternity or paternity leave
- ☐ Provides referrals for off-site childcare facilities that are clean and safe
- ☐ Has paid time off for breast feeding or pumping
- ☐ Offers on-site childcare facilities that are clean and safe or provides child care subsidies for offsite care
- ☐ Offers paid time off to attend healthcare appointments with dependents
- ☐ Consults with male and female employees or conducts employee surveys to determine if parental and caregiver benefits meet employee needs

Measurement

- ☐ Tracks the percentage of women and men that take advantage of parental or care benefits

Transparency

- ☐ Reports publicly to company stakeholders on the total number of employees that take advantage of parental or care benefits, disaggregated by sex
- ☐ Reports to the board on the total number of employees that take advantage of parental or care benefits, disaggregated by sex

9. Does the company have an approach to accommodate the work/life balance of all employees?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to accommodate the work/life balance of all employees.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that addresses work/life balance for men and women
- ☐ Extends or makes arrangements to accommodate part time workers
 - ☐ Not Applicable: Our company does not have any part time workers
- ☐ Communicates the policy to all eligible employees and notifies employees when there are changes

Implementation

- ☐ Offers flextime
- ☐ Offers telecommuting
- ☐ Offers job sharing or part time work with benefits
- ☐ Offers compressed work weeks
- ☐ Offers predictable hourly shifts
- ☐ Not Applicable: We only have salaried employees.
- ☐ Consults with male and female employees or conducts employee surveys to determine if practices meet employee needs

Measurement

- ☐ Tracks the total number of employees that take advantage of flexible work benefits, disaggregated by sex (including part time workers)

Transparency

- ☐ Reports publicly to company stakeholders the total number of employees that take advantage of flexible work benefits, disaggregated by sex (including part time workers)
- ☐ Reports to the board the total number of employees that take advantage of flexible work benefits, disaggregated by sex (including part time workers)

10. Does the company have an approach to ensure an environment free of violence, harassment and sexual exploitation

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to ensure an environment free of violence, harassment, and sexual exploitation.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that states zero tolerance of all forms of violence at work (including while on business related travel and in client entertainment)

Implementation

- ☐ Provides annual training on zero tolerance of all forms of violence to all employees, including sexual harassment and engaging in acts of sexual exploitation of women and girls while on business travel
- ☐ Has confidential grievance, resolution and non-retaliation mechanisms in place
- ☐ Provides confidential support for victims of domestic violence
- ☐ Requires gender-sensitive training for security personnel (including contracted staff) on procedures to respond to complaints of gender based violence or harassment
- ☐ Has a process in place to monitor/ audit business travel and client entertainment expenses to detect inappropriate business expenses such as company funds being used to sexually exploit women and girls or adult "entertainment" involving nudity or lewd behavior

Measurement

- ☐ Tracks the number of grievances related to workplace violence, disaggregated by sex

Transparency

- ☐ Communicates publicly or to relevant company stakeholders the company's approach to ensuring an environment free of violence
- ☐ Communicates to the board the company's approach to ensuring an environment free of violence

11. Does the company have an approach to address the specific health, safety, and hygiene needs of women at work and while commuting to work?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to address the specific health, safety, and hygiene needs of women at work and while commuting to work.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has health and safety protocols that include explicit reference to the health, safety and hygiene needs of women

Implementation

- ☐ Ensures adequate and safe toilet facilities for women that accommodate hygiene needs such as clean water and soap and disposal methods for feminine hygiene products
- ☐ Regularly checks company grounds to ensure they are adequately lit and secure
- ☐ Provides breastfeeding/pumping rooms that are clean and safe
- ☐ Provides access to transportation to and from work and while on business travel (including in environments where public transport is unsafe or unavailable)
- ☐ Provides training to staff on ergonomics, exposure to hazardous materials, and other occupational risks, taking into account the differential biological impacts of health and safety on women and men
 - ☐ Not applicable: Staff is not exposed to hazardous materials or other occupational risks
- ☐ Provides personal protective equipment for both men and women, especially taking into consideration the needs of pregnant and nursing women
 - ☐ Not Applicable: Staff does not use personal protective equipment.
- ☐ Consults with male and female employees to determine if health, safety and hygiene services and protections meet employee needs

Measurement

- ☐ Tracks health and safety incidents, disaggregated by sex

Transparency

- ☐ Reports publicly to company stakeholders health and safety incidents, disaggregated by sex
- ☐ Reports to the board health and safety incidents, disaggregated by sex

12. Does the company have an approach to promote access to quality health services that meet the specific health needs of women employees?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to promoting access to quality health services that meet the specific needs of women employees.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that recognizes the different health needs of women and men

Implementation

- ☐ Provides options for private insurance packages that cover the specific health needs of women (examples include: gynecology, maternal health, reproductive health, domestic violence)
- ☐ Provides onsite health services or establishes linkages with local health clinics and service providers for referrals purposes, that cover the specific health needs of women (including reproductive, maternal and newborn health)
- ☐ Coordinates onsite mobile clinics or screenings for employees, with health providers that are trained on women's health issues and needs
- ☐ Posts health-related information in public areas in line with the local or national context, especially when there are public health outbreaks that can disproportionately impact women
- ☐ Consults with male and female employees to determine if health services and benefits meet employee needs

Measurement

- ☐ Tracks the types of health services provided at the workplace and collects information on who is using the services, disaggregated by sex

Transparency

- ☐ Reports publicly to company stakeholders on the types of health services provided and used at the workplace
- ☐ Reports to the board on health services provided and used at the workplace

13. Does the company take proactive procurement steps to expand relationships with women-owned businesses in the value chain and when contracting vendors?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company does take proactive procurement steps to expand relationships with women-owned businesses in the value chain and when contracting vendors.
- ☐ Not Applicable: The company does not have vendors or suppliers.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that includes proactively sourcing from women-owned business

Implementation

- ☐ Has outreach initiatives to communicate procurement opportunities to women-owned businesses
- ☐ Uses databases to identify women-owned businesses in the purchasing process
- ☐ Sets procurement targets and or goals for the amount and percentage spend with women-owned businesses
- ☐ Participates in trade fairs that engage gender diverse suppliers
- ☐ Provides training to women to complete formal bid processes

Measurement

- ☐ Tracks percentage spend with women-owned businesses

Transparency

- ☐ Reports publicly to company stakeholders on percentage spend with women-owned businesses
- ☐ Reports to the board on percentage spend with women-owned businesses

14. Does the company encourage suppliers and vendors to advance performance on gender equality?

- ☐ The company does not encourage suppliers or vendors to advance performance on gender equality, but we are interested in learning more.
- ☐ The company currently does not encourage suppliers and vendors to advance performance on gender equality, but we plan to take steps in the next year.
- ☐ The company does not have an approach at the global level, but some of our country offices or business units encourage suppliers or vendors to advance performance on gender equality.
- ☐ **Yes**, the company encourages suppliers or vendors to advance performance on gender equality.
- ☐ Not applicable: The company does not have suppliers or contract vendors

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a supplier or vendor code of conduct that explicitly states support for gender equality

Implementation

- ☐ Encourages suppliers and vendors to have a gender equality strategy or policy that addresses: nondiscrimination, equal pay for equal work, and health and safety of women workers
- ☐ Has robust due diligence or assessment processes for suppliers and vendors to ensure they are not causing or contributing to adverse human rights impacts, particularly for women and girls
- ☐ Undertakes due diligence or assessment to identify human trafficking in its supply chain
- ☐ Incorporates gender equality expectations in supplier communications
- ☐ Offers independently or as part of a business association ongoing capacity building to suppliers and vendors to support continuous improvement on gender equality
- ☐ Encourages and works with suppliers to adopt policies and practices that support quality health and hygiene for both male and female workers
- ☐ Works with suppliers to develop a corrective action plan if gender equality risks or challenges arise

Measurement

- ☐ Encourages suppliers to set and measure targets and benchmarks on gender equality

Transparency

- ☐ Includes gender equality criteria in standard auditing protocols, supplier scorecards, or other supply chain management tools
- ☐ Includes gender-specific questions in supplier self-assessments

15. Does the company have an approach to responsible marketing that considers the portrayal of gender stereotypes?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to responsible marketing that considers the portrayal of gender stereotypes.
- ☐ Not applicable: The company does not have external marketing materials

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone responsible marketing policy or a commitment embedded in a broader corporate policy that addresses the portrayal of gender stereotypes

Implementation

- ☐ Reviews marketing materials and tactics to protect against negative gender stereotypes
- ☐ Has a marketing strategy tailored to women as a customer segment
- ☐ Has a marketing approach that seeks to challenge existing gender norms and promote positive images of women and girls
- ☐ Consults with focus groups to ensure marketing approaches are not perpetuating gender stereotypes

Measurement

- ☐ Tracks the number of marketing complaints that relate to gender stereotyping or negative portrayals of women

Transparency

- ☐ Communicates publicly to company stakeholders its commitment to not perpetuating gender stereotypes
- ☐ Communicates to the board its commitment to not perpetuating gender stereotypes

16. Does the company have an approach to assess differential impacts on women and men when developing products and/or services?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company assesses the differential impacts on women and men when developing products and/or services.
- ☐ Not applicable: The company does not produce consumer-facing products or services. For example: a chip for a cell phone that is not sold independently of the phone.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a formal commitment to ensuring products and services are developed for the needs of both women and men consumers.

Implementation

- ☐ Conducts market research on the specific product and/or service needs of women
- ☐ Develops products and/ or services that specifically target or meet the needs of women
- ☐ Considers gender differences in access to products and/or services and changes distribution models to accommodate these differences
- ☐ Consults stakeholders and focus groups to continuously improve design of products and services for women

Measurement

- ☐ Tracks segmented customer data to understand women's spending patterns and needs
- ☐ Tracks the revenue and profit generated by women customers

Transparency

- ☐ Communicates publicly to company stakeholders its commitment to ensuring products and services are developed with needs of women and men in mind.
- ☐ Communicates to the board its commitment to ensuring products and services are developed with needs of women and men in mind.

17. Does the company have policies and processes in place to ensure the responsibility to respect the rights of women and girls in the local communities in which it operates?

- ☐ The company currently does not take action to specifically respect the rights of women and girls, but we are interested in learning more.
- ☐ The company currently does not take action to specifically respect the rights of women and girls, but we plan to take steps in the next year.
- ☐ The company currently does not take action to specifically respect the rights of women and girls at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company takes action that specifically seeks to respect the rights of women in girls in the communities in which it operates.
- ☐ Not applicable: The company does not have physical operations that impact local communities.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that addresses respecting the rights of women and girls in the communities in which it operates

Implementation

- ☐ Ensures equal participation of women and men in community consultations
- ☐ Has transparent community grievance and resolution mechanisms in place
- ☐ Assesses differential impacts on men and women during human rights or social impact assessments
- ☐ Provides gender-sensitive training to facilitators of community consultations

Measurement

- ☐ Tracks stakeholder engagement and participation in community consultations disaggregated by sex

Transparency

- ☐ Reports publicly on stakeholder on the percentage of operations with implemented local community engagement, impact assessments, and/or development programs (including reporting on the use of gender impact assessments and participatory community consultation processes that include vulnerable groups)
- ☐ Reports to the board on the percentage of operations with implemented local community engagement, impact assessments, and/or development programs (including reporting on the use of gender impact assessments and participatory community consultation processes that include vulnerable groups)

18. Does the company have an approach to embed gender in corporate social responsibility activities, philanthropy, public advocacy, and partnerships?

- ☐ The company currently does not have an approach, but we are interested in learning more information.
- ☐ The company currently does not have an approach, but we plan to take steps in the next year.
- ☐ The company currently does not have an approach at the global level, but some of our country offices or business units have taken steps.
- ☐ **Yes**, the company has an approach to embed gender in corporate social responsibility activities, philanthropy, public advocacy, and partnerships.

If the answer to the question is YES, the following shows up to mark as appropriate:

Commitment

- ☐ Has a stand-alone policy or a commitment embedded in a broader corporate policy that addresses embedding gender in corporate social responsibility activities, philanthropy, public advocacy, and partnerships

Implementation

- ☐ Provides financial or pro-bono support for programmatic gender equality work at the global and/ or grassroots level
- ☐ Provides financial support to civil society organizations at the global and/or grassroots level that are working to empower women and girls
- ☐ Joins public advocacy campaigns and or advocates in public forums the business case for respecting and supporting the rights of women and girls
- ☐ Partners with local or global organizations or other companies on gender equality and women's empowerment
- ☐ Provides training to build the capacity of women entrepreneurs
- ☐ Provides financial support and investment or partners with banks and financial institutions to provide credit and other financial services to women entrepreneurs
- ☐ Advocates for the removal of legal barriers that restrict women's economic empowerment
- ☐ Participates in multi-stakeholder platforms promoting the rights of women and girls
- ☐ Consults with external stakeholders to understand the spectrum of opportunities to empower women and girls

Measurement

- ☐ Has clear goals on the impacts it is seeking to achieve for women and girls when developing and implementing community projects
- ☐ Tracks the number of beneficiaries from community projects and initiatives, disaggregated by sex

Transparency

- ☐ Reports publicly to company stakeholders the number of beneficiaries from community projects and initiatives, disaggregated by sex
- ☐ Reports to the board the number of beneficiaries from community projects and initiatives, disaggregated by sex

How does the results page look like?

Your Score Is

Beginner

16%

Great start! Your company is at the beginning stages of recognizing the importance of gender equality to your business. You have some policies or programmes in place that are helping to advance gender equality in your business, but have identified that there are other opportunities to do more. To start, consider formalizing a commitment from the top, and create a strategy to ensure a more consistent approach to developing gender equality policies. Your company's journey to achieve gender equality may have just begun, but with these resources you can accelerate the pace of change.

MANAGEMENT STAGES

Your Progress by Management Stages

Your progress by each management stage is shown below as compared the maximum possible % score within each management stage - Commitment, Implementation, Measurement, and Transparency.

Your Score by Individual Questions
