Meet the 2018 YWPA Awardees

Meet 10 young women who are making a difference in their communities through volunteerism and leadership.

Zonta International is proud to share the bios of the 2018 International Young Women in Public Affairs Awardees.

Zonta International's YWPA Award recognizes young women, ages 16-19, who demonstrate superior leadership skills and a commitment to public service and civic causes, and encourages them to continue their participation in public and political life.

Ten (10) international scholarships of US\$4,000 each and up to 32 district/region scholarships of US\$1,500 each are awarded each year.

Meet the Awardees

Does your club participate in the YWPA program? All Zonta clubs are invited to recognize and honor the works of great young women in their hometowns and then put their candidate forth for the district award.

The 2019 Young Women in Public Affairs (YWPA) Award materials are now available. This process starts with you, as all applications must be submitted through a Zonta club. To learn more about the application, [click here](#).
