Dear Zontians, Zonta Clubs and Friends of Zonta,

On behalf of the Zonta International Foundation Board, I am pleased to share with you the Zonta International Foundation's Annual Report for Fiscal Year 2012 (1 June 2011 to 31 May 2012).

With the generous contributions of our members, Zonta clubs and friends of Zonta around the world, we raised a record US\$4,909,508 during the 2010-2012 Biennium! The incredible outpouring of generosity demonstrated by you, our supporters, despite the global economic crisis and the natural disasters affecting many parts of the Zonta world, is truly humbling. On behalf of Past International President Dianne Curtis and the 2010-2012 and 2012-2014 Zonta International Foundation Boards, I thank you for your continued support.

Thanks to your generosity and commitment to our mission, we are able to release a record US\$4,938,000 this biennium to fund our projects and programs to advance the status of women worldwide. Our international service projects to eliminate obstetric fistula in Liberia and prevent mother-to-child transmission of HIV and gender-based violence in Rwanda made great progress during the last biennium and will continue to see positive results with Zonta's increased support—US\$1 million for each project—over the next two years. We are witnessing significant achievements in these countries and will continue to share the progress of these two projects with you throughout the remainder of the biennium.

Our efforts to end burns violence in Cambodia, Nepal and Uganda during the last biennium helped to raise awareness of burns violence and assist survivors in seeking the medical, legal and psychosocial care they need to rebuild their lives. In Guatemala and El Salvador, we empowered women with the training and resources to become leaders in initiatives to make their cities and communities safer for women and families; and, in Haiti, we supported Kay Fanm providing support services for victims of violence despite the significant challenges that continue to affect local Haitian society more than two years after the earthquake that ravaged Port-au-Prince.

Thanks to your generosity and commitment to our mission, we are able to release a record US\$4,938,000 this biennium to fund our projects and programs to advance the status of women worldwide.

Education continues to be at the forefront of Zonta's efforts to help women and girls. Last biennium, we awarded outstanding women and young women with the Zonta International Amelia Earhart Fellowship, Jane M. Klausman Women in Business Scholarship and Young Women in Public Affairs Award. The recipients come from many different areas of the Zonta world and are an impressive group of future leaders and professionals. This biennium, thanks to overwhelming support for the Young Women in Public Affairs Award Fund, we are pleased to be able to increase the number of international Young Women in Public Affairs Awards from five to ten and the amount of each individual Award from US\$3,000 to US\$4,000. Recipients of the Jane M. Klausman Women in Business Scholarship will also receive US\$7,000, an increase from the US\$5,000 award previously.

Please read on for more information about each of these programs and the women and communities who benefit from your support of the Zonta International Foundation. The success of these projects and programs is the direct result of your generosity and commitment.

Thank you again for helping Zonta International and the Zonta International Foundation make positive and lasting changes in the lives of women and girls around the world!

Sincerely,

Lynn McKenzie
Zonta International Foundation President

ZONTA INTERNATIONAL FOUNDATION (ZIF) IS THE CHARITABLE ARM OF ZONTA INTERNATIONAL, A GLOBAL ORGANIZATION OF NEARLY 30,000 MEMBERS IN 64 COUNTRIES WORKING TOGETHER TO IMPROVE THE LIVES OF WOMEN WORLDWIDE THROUGH SERVICE AND ADVOCACY. THE FOUNDATION ADVANCES AND SUSTAINS ZONTA INTERNATIONAL'S GLOBAL SERVICE AND ADVOCACY PROGRAMS. DURING THE 2010-2012 BIENNIUM, THE FOUNDATION SUPPORTED INTERNATIONAL SERVICE PROJECTS AND EFFORTS TO END VIOLENCE AGAINST WOMEN IN EIGHT COUNTRIES, WHILE PROVIDING EDUCATIONAL AWARDS AND SCHOLARSHIPS TO PROMISING WOMEN AROUND THE GLOBE. WITH THE GENEROUS SUPPORT OF ZONTA CLUBS, ZONTIANS AND FRIENDS OF ZONTA WORLDWIDE, THE FOUNDATION RAISED US\$4,909,508 DURING THE 2010-2012 BIENNIUM TO SUSTAIN THE PROGRAMS FUNDED THROUGH THE FOUNDATION—FAR SURPASSING THE FOUNDATION'S US\$3,758,000 GOAL AND BRINGING THE FOUNDATION'S TOTAL CONTRIBUTIONS TO US\$22,140,550. THANK YOU TO ALL OUR GENEROUS DONORS FOR THEIR SUPPORT!

International Service Fund

Contributions to the Foundation's International Service Fund support Zonta's efforts to improve the legal, political, economic, educational and health status of women in developing countries. Since Zonta's first international service project in 1923, the Zonta International Foundation has provided more than US\$11 million to United Nations agencies and other non-governmental organizations to support projects that have improved the lives of more than two million women in 37 countries.

During the 2010-2012 Biennium, Zonta International supported three projects through contributions to the International Service Fund.

Prevention of Mother-to-Child Transmission of HIV and Gender-Based Violence in Rwanda

**US\$500,000 to UNICEF,
the United Nations
Children's Fund**

Treating HIV-positive women, preventing transmission of the virus to their offspring, and ensuring access to health care and reproductive services, as well as preventing and responding to the violence awoken by the brutalization of the society during the Rwandan genocide, are critical issues for the development of Rwanda and the safety of its women and children. Building on the success of the project during the 2008-2010 Biennium, Zonta and UNICEF continued to focus on the prevention of mother-to-child transmission (PMTCT) of HIV by providing the full range of family package services at 20 UNICEF-supported PMTCT sites throughout Rwanda during the 2010-2012 Biennium. With the support of Zonta International, UNICEF and other partners, the Rwandan Government remains on track to meet its goal of eliminating mother-to-child transmission of HIV by 2015.

The Zonta International Foundation received a very generous donation from District 20 to support the construction of the new Matyazo Health Center in Rwanda. The donation, which was made in honor of Past International President Helvi Sipilä, enabled the Center to add three additional rooms for HIV counseling and testing, a delivery room, and a common room for group counseling and follow-up with the children. A plaque, commemorating Helvi Sipilä, is on display outside the Center.

Immaculée is one of many success stories in Rwanda. "I attended antenatal care sessions and was put on anti-retroviral treatment. I was also advised to give birth at the hospital instead of at home. The delivery went well and the child was given drug treatment for 28 days after the birth. After six weeks they tested my baby girl for the first time and the result was negative. Then they gave the baby antibiotics and I was advised to exclusively breastfeed my daughter for the first six months of her life or until I had stopped producing enough milk. After 18 months she was tested for the second time. When the result again showed that she was HIV-negative I felt really blessed by God," Immaculée says with a big smile.

In addition to the PMTCT component, the project also expanded holistic care and services at One Stop Centers for survivors of domestic and gender-based violence to ensure access to proper medical, legal, psychosocial and police support. Zonta International's funding of these One Stop Centers and the PMTCT sites will continue in the 2012-2014 Biennium with a record US\$1 million donation to UNICEF.

Safe Cities for Women in Guatemala City, Guatemala and San Salvador, El Salvador

**US\$500,000 to
UN Women, the United
Nations Entity for
Gender Equality and the
Empowerment of Women**

Building on the progress made during the 2008-2010 Biennium, Zonta continued its support for the Safe Cities for Women program in Guatemala and El Salvador from 2010 to 2012. Women in these countries are subjected to extraordinarily high levels of violence. In 2011 alone, 651 women were murdered in Guatemala and 528 women were murdered in El Salvador. Working with UN Women, Zonta launched campaigns to raise public awareness of violence against women and empowered local women to become part of the decision-making process to improve urban planning and reduce gender-based violence. Zonta International President-Elect Maria Jose Landeira Oestergaard had the opportunity to visit Guatemala and El Salvador in January 2011 to see the Safe Cities program in action.

In Guatemala, women trained through the Safe Cities program held theatrical games workshops for women and young people, where attendees learned how to spread positive messages and create affirmative action on women's rights. Mariela Del Carmen Guerra was one of the participants in the workshops.

"We have suffered violence at home [...] we have been through a painful process that made us fearful. Now my mother and I have a strong voice and are convinced of our inner strength," said Mariela.

Zonta International's support for the Safe Cities for Women program continues during the 2012-2014 Biennium. This biennium, applying what was learned in Guatemala and El Salvador, Zonta will focus on Honduras, a country where violence against women has grown at an alarming rate in recent years.

Towards Elimination of Obstetric Fistula and the Reduction of Maternal and Newborn Mortality and Morbidity in Liberia

**US\$500,000 to UNFPA,
the United Nations
Population Fund**

Since 2008, Zonta has been supporting efforts in Liberia to eliminate obstetric fistula, a hole in the birth canal caused by prolonged, obstructed labor without medical intervention. Obstetric fistula often results in a stillborn baby and leaves the mother incontinent and in some cases, paralyzed. Zonta's support focuses on three areas—prevention, treatment and rehabilitation. In 2011 alone, 155 women underwent surgery to repair an obstetric fistula, and 29 of those women participated in the rehabilitation program to prepare them to return to their communities.

In October 2011, then Zonta International President-Elect Lynn McKenzie had the opportunity to visit Liberia to see the project in action and to meet the women who have benefited from Zonta's support. During her visit, she met women in the rehabilitation program at Phobe Hospital and saw how the program transformed their lives.

"One lasting memory I have is of a beautiful mother who just over 18 months after receiving treatment and rehabilitation has used her newly acquired soap making skills to buy a piece of land so she can build a home for her family," recounts Lynn.

Zonta will increase its support for the Liberia Fistula Project during the 2012-2014 Biennium with a record US\$1 million donation to UNFPA.

Zonta International Strategies to End Violence Against Women (ZISVAW) Fund

Adopted at the Zonta International Convention in Paris in 1998, the Zonta International Strategies to End Violence against Women Fund supports projects that promote and protect the human rights of all women and girls and reduce the incidences of violence against them by seeking to change personal and/or political knowledge, attitudes and behaviors contributing to gender-based violence. Since the ZISVAW program's inception, Zonta International has provided more than US\$2 million to support 40 projects in 23 countries around the globe.

During the 2010-2012 Biennium, Zonta International supported two projects through contributions to the ZISVAW Fund.

Towards a Comprehensive Strategy to End Burns Violence against Women in Cambodia, Nepal and Uganda

The exact prevalence of burns violence in Cambodia, Nepal and Uganda is unknown. Fear of retaliation, psychological trauma and the associated legal and medical costs are significant barriers to survivors seeking justice and medical treatment. These barriers lead to significant underreporting of cases of burns violence. To address the issue of underreporting and ensure that survivors get the services they need, Zonta International partnered with the UN Trust Fund to assist Acid Survivors Trust International (ASTI) in piloting an innovative and holistic community-based approach to reduce acid and other forms of burns violence against women and girls.

Over the last two years, ASTI, with Zonta's support, has raised awareness of the issues of burns violence among the public, local government, hospitals, religious leaders and the media. They have fostered relationships with other local NGOs to ensure that survivors are receiving holistic support services, from medical care, shelter and counseling to vocational training and income generation. To encourage more women to seek support, ASTI continued to monitor reporting and referral systems to increase women's knowledge of available legal aid and social services. They actively engaged in new court cases, meeting with police and the judiciary, facilitating documentation of injuries and advocating for cases to be brought to trial.

Prudence's promising career as an English teacher was dramatically altered when she suffered an acid attack that left her with extensive facial disfigurement. She chose to use her unfortunate experience positively to champion the fight against acid violence in Uganda. While in Mulago hospital, Prudence mobilized other survivors to support for each other. "A survivor came in the hospital and was almost suicidal. I continued to talk with her. We would share experiences along the way with other survivors."

Security and Empowerment for Women and their Families: Ensuring a Gender-Responsive Humanitarian and Early Recovery Response in Haiti

Following the January 2010 earthquake in Haiti, the three shelters operating in Port-au-Prince experienced a dramatic increase in demand for services. In response to this growing need, UN Women, with Zonta International's support, sought to assist Kay Fanm, one of the oldest women's organizations in Haiti, with rebuilding its shelter for women and girl survivors of violence and their families. Kay Fanm purchased land for the shelter; however, significant challenges have delayed construction. Those challenges included stricter, more expensive building rules and major governmental changes. Due to these ongoing challenges, the construction of the new shelter was discontinued; however, Kay Fanm continues to provide assistance to survivors of violence, using the lightweight temporary structures that were erected in 2010 and Zonta International is maintaining its support for survivors of violence seeking help from Kay Fanm.

Natacha Pierre is one of the many young women who received support from Kay Fanm. She was just 14 when she gave birth to her daughter at Kay Fanm in January 2012. Prior to arriving at Kay Fanm, Natacha was raped by a fellow student and was thrown out of her house by her parents when she told them of the rape. On her own, she was raped two more times in the temporary shelters before a man and his wife stepped in and took her to Kay Fanm.

"They took me to Kay Fanm where I received medical care and lots of support. I now stay in the Reviv Center since the month of May, and I don't know yet when I will leave. I am grateful to Kay Fanm for everything they have done for me," said Natacha. ■

Educational Award Programs

Amelia Earhart Fellowship

Originally envisioned as a US\$500 loan when it was established in 1938, the Zonta International Amelia Earhart Fellowship has grown to thirty-five (35), US\$10,000 Fellowships awarded each year. In the program's 74-year history, Zonta International has awarded 1,368 Fellowships, totaling US\$8 million. The Fellows who receive the award are a diverse group of women representing 68 countries around the globe. Their research encompasses a broad array of disciplines and focus areas within aerospace sciences and engineering and has real world implications beyond the walls of their research labs.

Georgia Iuliana Deaconu is one of the 35 recipients of the 2012 Amelia Earhart Fellowships. A citizen of Romania, Georgia is currently a Ph.D. student at Paul Sabatier University in Toulouse, France. She is developing guidance algorithms for spacecraft rendezvous with a focus on reducing fuel consumption, a critical issue for space missions. Georgia has already successfully developed guidance algorithms for obtaining fuel-optimized thrusting plans, leading to autonomous periodic relative motion between spacecraft. For more information about the Amelia Earhart Fellowship, please visit: <http://www.zonta.org/WhatWeDo/InternationalPrograms/AmeliaEarhartFellowship.aspx>

Jane M. Klausman Women in Business Scholarship

Since the program's inception in 1998, Zonta International has awarded 275 Jane M. Klausman Women in Business Scholarships to women from 42 countries worldwide. Zonta awards scholarships of US\$1,000 each at the district level, in addition to 12 international scholarships in the amount of US\$5,000 each to women pursuing undergraduate or master's degrees in business management.

Shazia Meraj is a 2011 recipient of Zonta International's Jane M. Klausman Women in Business Scholarship. She is currently pursuing her undergraduate degree in finance at the Institute of Business Administration at Dhaka University in Bangladesh. In addition to her academic merits, Shazia is a member of the United Nations Youth and Students Association of Bangladesh (UNYSAB) where she is active in projects focused on global issues. After completing her undergraduate degree, Shazia plans to obtain her MBA and eventually her Ph.D. Her professional goals include becoming a CEO or professor and establishing chain of schools to provide free education to underprivileged students in Bangladesh, as well as a hospital in Dhaka to provide a one-stop healthcare solution. Young Women in Public Affairs Award

As of 31 December 2011, women hold just 19.5% of seats in the world's national parliaments, according to the Inter-Parliamentary Union. Recognizing that young women are the key to women's advancement in the field of public service, Zonta International honors young women who have demonstrated exceptional leadership skills and a commitment to public service and civic causes with the Young Women in Public Affairs Award. During the 2010-2012 Biennium, district recipients each received US\$1,000, and five international recipients from the district/region recipients received awards of US\$3,000 each. Since the program's inception in 1990, Zonta has given 637 awards to 565 young women from 50 countries.

Efua Kumea Asibon is a 2012 recipient of Zonta International's Young Women in Public Affairs Award. A citizen of Ghana, Efua is currently in her first year of study at Swarthmore College in Pennsylvania. She is double majoring in political science and developmental economics with the goal of becoming a policy maker so she can help societies, especially African societies, embark on sustainable development projects. In addition to her academic endeavors, Efua is co-founder of Project 360, a community service initiative that creates awareness of proper administration and first-aid treatment during emergencies. She also founded D.R.E.A.M.—Developing-Reaching Out-Empowering-Aiding-Mentoring—to educate, equip and empower women to work and participate in policy making and entrepreneurial activities. LOYAL SUPPORTER Nikki Headlee

Nikki Headlee has been a member of the Zonta Club of Denver, Colorado in the USA since 1986. A loyal and generous supporter of the Zonta International Foundation, she served as a district foundation ambassador during the 2010-2012 Biennium and has made personal contributions to the Foundation for the last 11 consecutive years.

Taught at a young age that if you have the ability to donate your time or money or both, that you should, Nikki made her first donation to the Foundation because she was passionate about advancing the status of women worldwide and she was in a position to begin donating money. When asked why she continues to support the Foundation in the years since her first gift, Nikki replied, "Zonta's programs benefit women and their families all over the world. Our giving impacts generations to come."

One Zonta project that personally inspired Nikki was the elimination of maternal and neonatal tetanus project with UNICEF in Nepal during the 2000-2002 Biennium. The project provided measurable results that clearly showed the impact of Zonta's contribution.

Nikki encourages other Zontians to consider making a personal gift to the Foundation, in addition to the donations made by their clubs.

MEMBER OF THE MARY E. JENKINS 1919 SOCIETY

Joyce E. Abraham

Joyce Abraham joined Zonta in 1965 and is a member of the Zonta Club of Johnson County, Kansas, USA.

Although in recent years Joyce has been unable to attend club meetings as often as she would like to, Zonta is still very much a part of her life. "I like Zonta so much; I want to be a Zontian for life," said Joyce.

During the day, you will find Joyce at her flower shop—a family business started by her parents more than 78 years ago. She's run the shop for more than 40 years, and, at 74 years of age, still works 5 ½ days a week. Her pride in the business that has seen many changes over the years remains evident. And, when she's not working, Joyce takes every opportunity to spend time with her daughter and four grandchildren.

A loyal and generous donor to the Zonta International Foundation, Joyce became a member of The Mary E. Jenkins 1919 Society eight years ago. The Jenkins Society honors those individuals who have made estate planning provisions benefiting Zonta.

When asked why she decided to become a member of The Mary E. Jenkins 1919 Society, Joyce replied, "I do what I can. I am so glad to help. We [Zonta] continue to do so much good all over the world."
