## INTRODUCTION

### **Purpose**

The purpose of this manual is to serve as a general guideline for those administering the districts of Zonta International.

### **Audience**

This manual should be read and followed by Zonta International Board<sup>1</sup> members, all district officers, committee chairs and members, and anybody with interest and ambition for district office.

### **Contents and Use**

Districts vary widely as to cultural norms, geographical size, the number of countries in the district, the number of clubs and of individual members in the district, and the languages spoken in the district. Consequently, this manual should be considered a general guide; not every suggestion in this manual will be practical and appropriate for every district.

The manual is not a substitute for the Zonta International Bylaws or Rules of Procedure, which are the primary rules that govern the operations of Zonta International and which should be read in conjunction with this manual.<sup>2</sup>

### **Update**

This manual should be reviewed and, if required, updated once per biennium, unless relevant legal or policy requirements necessitate additional editions.

### **Style**

*The Associated Press Stylebook* and the *Publication Manual of the American Psychological Association* are style guides utilized in this manual.

### **Parliamentary Authority**

Discussion of Parliamentary Procedures in this manual are based on *Robert's Rules of Order Newly Revised*, 12th Edition. Different districts use different parliamentary authorities.

---

<sup>1</sup> Throughout this manual, *board* signifies the district board and *manual* signifies this manual, except where expressly stated otherwise. References to the governor include the regional representative and references to Zonta club(s) or club(s) include e-clubs.

## SECTION ONE – District Structure

### Establishment and Purpose

A district is a group of Zonta clubs within a geographical territory or territories, as determined by the Zonta International Board. They are created to serve as the administrative links between clubs and Zonta International. All districts share the same purpose, to further the Objects of Zonta International.

Districts are required to conform to the *Bylaws and Rules of Procedure of Zonta International*. Districts are required to adopt district bylaws and rules of procedure to govern district administration. These district bylaws and rules of procedure must not conflict with the *Bylaws of Zonta International* or the *Rules of Procedure of Zonta International*.

Each Zonta club within the established boundaries of a district shall be a member of that district.

### District Bylaws and Rules of Procedure.

Each district shall adopt bylaws and district rules of procedure that conform to the Bylaws and Rules of Procedure of Zonta International and are in accordance with applicable laws and regulations. The initial district bylaws and rules of procedure may be adopted by the district board.

District bylaws and rules of procedure shall be amended by a two-thirds vote of the district conference voting members present and voting, provided that notice of such proposed rules of procedure or amendments shall be sent to the president of each club within the district at least 60 days before the conference. Bylaws and rules of procedure may also be adopted or amended by a mail ballot. In that case, to take action, a two-thirds vote of the voting members voting shall be required, provided more than 50 percent of the district clubs respond within 45 days.

► *Bylaws of Zonta International*, Article XIV, Sections 1, 2, 3 and 15

### District Size

The number of clubs in a district and the district's geographical boundaries depend upon geographic, economic and cultural considerations. A district must have at least 300 members organized in Zonta clubs.

A district vote to divide or change boundaries requires the approval of the Zonta International Board.

### Forming a New District

New districts are formed because:

1. A district has grown too large and would benefit from being split into two or more smaller districts.

## SECTION ONE – DISTRICT STRUCTURE

2. Neighboring districts have become too small and would benefit from being combined into one larger district.
  3. Clubs have been chartered in a new country and a new district is needed.
  4. Existing districts need to be realigned into a more logical arrangement.
- ▶ *Bylaws of Zonta International*, Article XIV, Section 2

### **District Dues**

The district dues are determined by the voting members of the district conference by a two-thirds vote.

A club member who transfers from a club in one district to a club in another and who has paid district dues in the first district is not required to pay district dues in the second district. District dues for members in the young professional member category are to be decided by each district.

### **District Conference**

Each district must hold at least one district conference per biennium. The dates for the district conference must be approved by the Zonta International president.

- ▶ *Bylaws of Zonta International*, Article XIV, Section 11
- ▶ *District Conference Manual* on the Zonta International website

### **Mail Ballot**

In the event club action is required between district conferences, the district board shall submit to each club for vote by mail any question that may require action by the clubs in the district. Each club shall be entitled to vote in accordance with the procedure in Article XIV Section 11 (c) of the *Bylaws of Zonta International*. To take action, an affirmative majority of the voting members voting shall be required, provided that more than fifty (50) percent of the district clubs respond within forty-five (45) days.

### **Areas**

A district can have two or more areas depending on the size and geography of the district.

Each area has an area director and may have a vice area director. The area director is elected by the club delegates of the area, either at the district conference or at the area meeting immediately preceding the convention. The area director is eligible to be elected to a second term which may be either consecutive or not.

The only clubs entitled to vote on changes in districts or the composition of areas are the clubs in the current areas and the proposed new area in the case of area changes, or the clubs in the current and in the proposed new district.

The district may, at its district conference, authorize areas to collect per capita area dues.

- ▶ *Bylaws of Zonta international*, Article XIV, Sections 4 and 5.

### **International Board Liaison**

A member of the Zonta International board is assigned to serve as the district's liaison to the Zonta International board. The responsibilities include:

The audit, review or compilation must be a process as defined by generally accepted accounting principles, applicable law and the glossary to the Zonta International governing documents. A review consists of inquiries of the treasurer and analytical procedures that enable the reviewer to state with reasonable assurance that no material modifications to the statements appear to be needed in order for them to be in compliance with generally accepted accounting principles.

An audit further includes examining and testing underlying documents supporting the statements, with the objective of expressing an unqualified opinion, i.e. with no reservations or conditions, that the financial statements are fairly presented.

Depending on the constitution of the district, they can be held personally liable for any breach of duty. District Board members should therefore be conversant with the requirement of the applicable law in their country regarding service as a board member of a nonprofit organization.
