

Inter-District Meetings/Seminars Guidelines

Inter-district meetings are arranged by Zontians in various parts of the world. These events provide an opportunity for Zontians from different districts to get to know each other and to exchange ideas. These events are not, however, decision-making meetings and are not a substitute for an international convention or a district conference.

Accordingly, the Zonta International Board adopts the following guidelines:

- The name should be <continent or geographical region> Inter-district Meeting or Seminar, for example European Inter-district Seminar.
- The meeting/seminar is not an official Zonta International or district or club¹ event and therefore cannot make decisions concerning Zonta International, its districts or clubs.
- Headquarters and the international president should be advised of the proposed date and place for a seminar in the planning stage.
- Any member of a Zonta club may attend.
- The districts involved may announce the event on their respective websites and the organizers may issue invitations to all district board members and club presidents in the geographical region.
- Attendees may discuss Zonta matters and programs.
- The seminars should not be scheduled for a date less than six months prior to an international convention.
- No attendee will be considered an official representative of Zonta International or the Zonta Foundation for Women.
- Zonta International will not cover any expenses for the inter-district meeting/seminar. However, if an international board meeting is held in connection with the seminar, board meeting reimbursements will apply for the board meeting period.

¹ References to Zonta club(s) or club(s) include e-clubs.
