

2022-2024 Education Programs Overview

Below is a summary of the education programs for the 2022-2024 Biennium. Please note the changes to the structure of the Jane M. Klausman Women in Business Scholarship and Young Women in Public Affairs Award.

Amelia Earhart Fellowship

- Open to women pursuing Ph.D./doctoral degrees in aerospace engineering and space sciences.
- 30 Fellowships of US\$10,000 each year.

Jane M. Klausman Women in Business Scholarship

- Open to women pursuing an undergraduate or master's business program with major field of specialization in accounting, economics, finance, business management, business technology, information technology, marketing, operations management, human resources management, international business or entrepreneurship.
- 37 international scholarships of US\$5,000 each
 - One scholarship for a qualified nominee selected by the district/region jury from each Zonta district/region and confirmed by Zonta International (32 scholarships).
 - One additional scholarship for the five largest districts in terms of membership selected by the district jury and confirmed by Zonta International (5 scholarships).
 - After extensive review of available funding and sustainability of Zonta International's standing education programs, the Board determined that it is not practical to continue the pilot Women in Technology Scholarship in the 2022-2024 Biennium. For that reason, business technology and information technology have been added as eligible fields of study for the JMK Women in Business Scholarship.
