| 5. Ireland (2020)                    | 12. Cameroon (2023)                  |
| 6. Tunisia (2022)                    | 13. Madagascar (2023)                |
| 7. Nicaragua (2023)                  |                                      |

**Note:** Approved Zonta countries have been authorized by the International Board for Zonta clubs to organize within, but currently do not have any clubs in operation.

\*Approval expires after 4 years if no club charters within the approved country, after which they will need reapproval. Countries which have all clubs closed are de facto approved for 10 years after the final club closes, after which they will need reapproval.
